CAPITAL CITY CAMERA CLUB

**Abbotts Creek Park
Community Center
9950 Durant Road
Raleigh, NC 27614**

The **Capital City Camera Club** is a photography organization whose members have a great variety of photographic interests: portraits, wildlife, landscape, macro, abstract, and architecture. The club provides these photographers, who represent all skill levels, with a forum to share their work and develop their photographic talents.

Meetings

Meetings are generally held on the first and third Mondays of the month, alternating at Abbotts Creek Community Center and online. Social time begins around 6:30 PM, and the meeting starts at 7:00 PM (see map).

We encourage you to come see what we are all about. Guests may attend up to two meetings before making a decision on membership. Please visit our website for our meeting calendar at

www.capcitycameraclub.com.

Club Activities

We conduct educational presentations, competitions, field trips, workshops, exhibitions, and civic projects.

Programs

Our meeting programs focus on different aspects of photography from the technical to the artistic, ranging from presentations on photographic techniques and creative artistic expression to critique sessions and contests.

Competitions and Critiques

We conduct print competitions and critiques throughout the year with feedback from the judges on our images. We also conduct a Photo of the Month competition online. We have an annual international photo competition with a club in Kingston-upon-Hull, Raleigh's sister city in the UK.

Field Trips

We go to a variety of locations, both local and out-of-town, sometimes connected by a theme with a presentation and competition.

Exhibitions

We hold an annual exhibition of framed prints provided by our members for the public to view.

Civic Projects

Some of our members volunteer to photograph or instruct at locations around the state. We are contributing photographers for Preservation North Carolina, the Raleigh Historic Development Commission, and the Historic Oakwood District.
